NAUI Statement of Understanding and Student Learning Agreement for Skin and Scuba Diving Training

The diving course you are about to begin is an exciting and demanding challenge. It will allow you to eventually explore the "other three-fourths" of our planet that is underwater. To accept the call of underwater adventure, you must be aware of the risks involved in the sport and be willing to study and practice to achieve success.

This course will require heavy physical exertion. You will need to be able to equalize pressure in your ears and sinuses. Your breathing and circulatory systems must also be in good health. You will need to complete a medical history form and your instructor may require you to be examined by a physician. You will also need to read, discuss and sign a waiver, release and indemnity agreement, and this document. If you are a minor, you will need to have this form and your medical form signed by a parent. These forms are returned to the instructor for the course files.

Skin and scuba diving are equipment sports. Some equipment is personal and needs to be purchased. Other equipment can be rented or will be provided during the course. Do not purchase equipment until it has been discussed in class and you know how to evaluate your purchases.

The cost of this course is:	and includes:
Additional costs in order to complete the course will be	
must attend every session or your training will be incomple	Because diving is built from a few basics to more complex concepts, you te. You will be required to make up any missed sessions. Bring paper and for the classroom evaluations. You will need to successfully complete a skills in open water in order to be certified.
This course meeting times are (insert dates and times): _
